

INFORMATION FOR EXCHANGES (SUBSCRIPTION)

While a subscription is generally intended to cover all books for that year to be kept by the school, we do appreciate that at times, this is not possible.

When a book is deemed unsuitable by a school – either due to the special character of the school or single sex students – we allow some exchanges.

We prefer exchanges to be done once a term so as to minimize courier packages.

If you have books to return to us - Please wrap and post them to.

If you have a large number of titles, please contact NZSO to discuss a courier pickup. This is rare.

Choosing replacement titles

Books returned can be replaced with any title of the same/similar Recommended Retail Price.

Please look for suitable replacements in

1. Current Scholastic Catalogues
2. Online at www.scholastic.co.nz Go to the TRADE page. Here you will find PDFs of our latest releases. There is also a Search Engine where you can search for a specific book and see if we have it in stock. (please ensure you click on 'submit' to start the search or it will not work).
3. You may wish to order duplicate copies of previous NZSO books if they have proven popular.

Please advise in your returns if you have chosen books – or this may be left to a later date if you do not have time to choose replacements.

Contact Information

You can contact NZSO at any time if you wish to discuss any book or the replacement options.
