

Wanted Sandwich Board Sign Instructions

Supplies*:

- Two 24"x 36" foam poster boards
- Paint
- Paintbrushes
- Spray adhesive
- Rope
- Projector

Directions:

1. Paint the two foam poster board beige. Dry brush the borders with brown paint to give the sandwich board a weathered look.
2. Print the message and image on page 2 at 200 percent. Cut out the words and glue them onto the painted board with spray adhesive. Or use page 2 as a template and project or hand-letter the board, using the template as reference.
3. Make two holes at the top of each board.
4. String rope through the holes of the two boards and tie off each end to finish off the sandwich boards.

*Remember, these are only suggestions.
This project should be fun and creative, so use
supplies you have on hand for substitutions.
