

# Wild West Bandit Sign Instructions

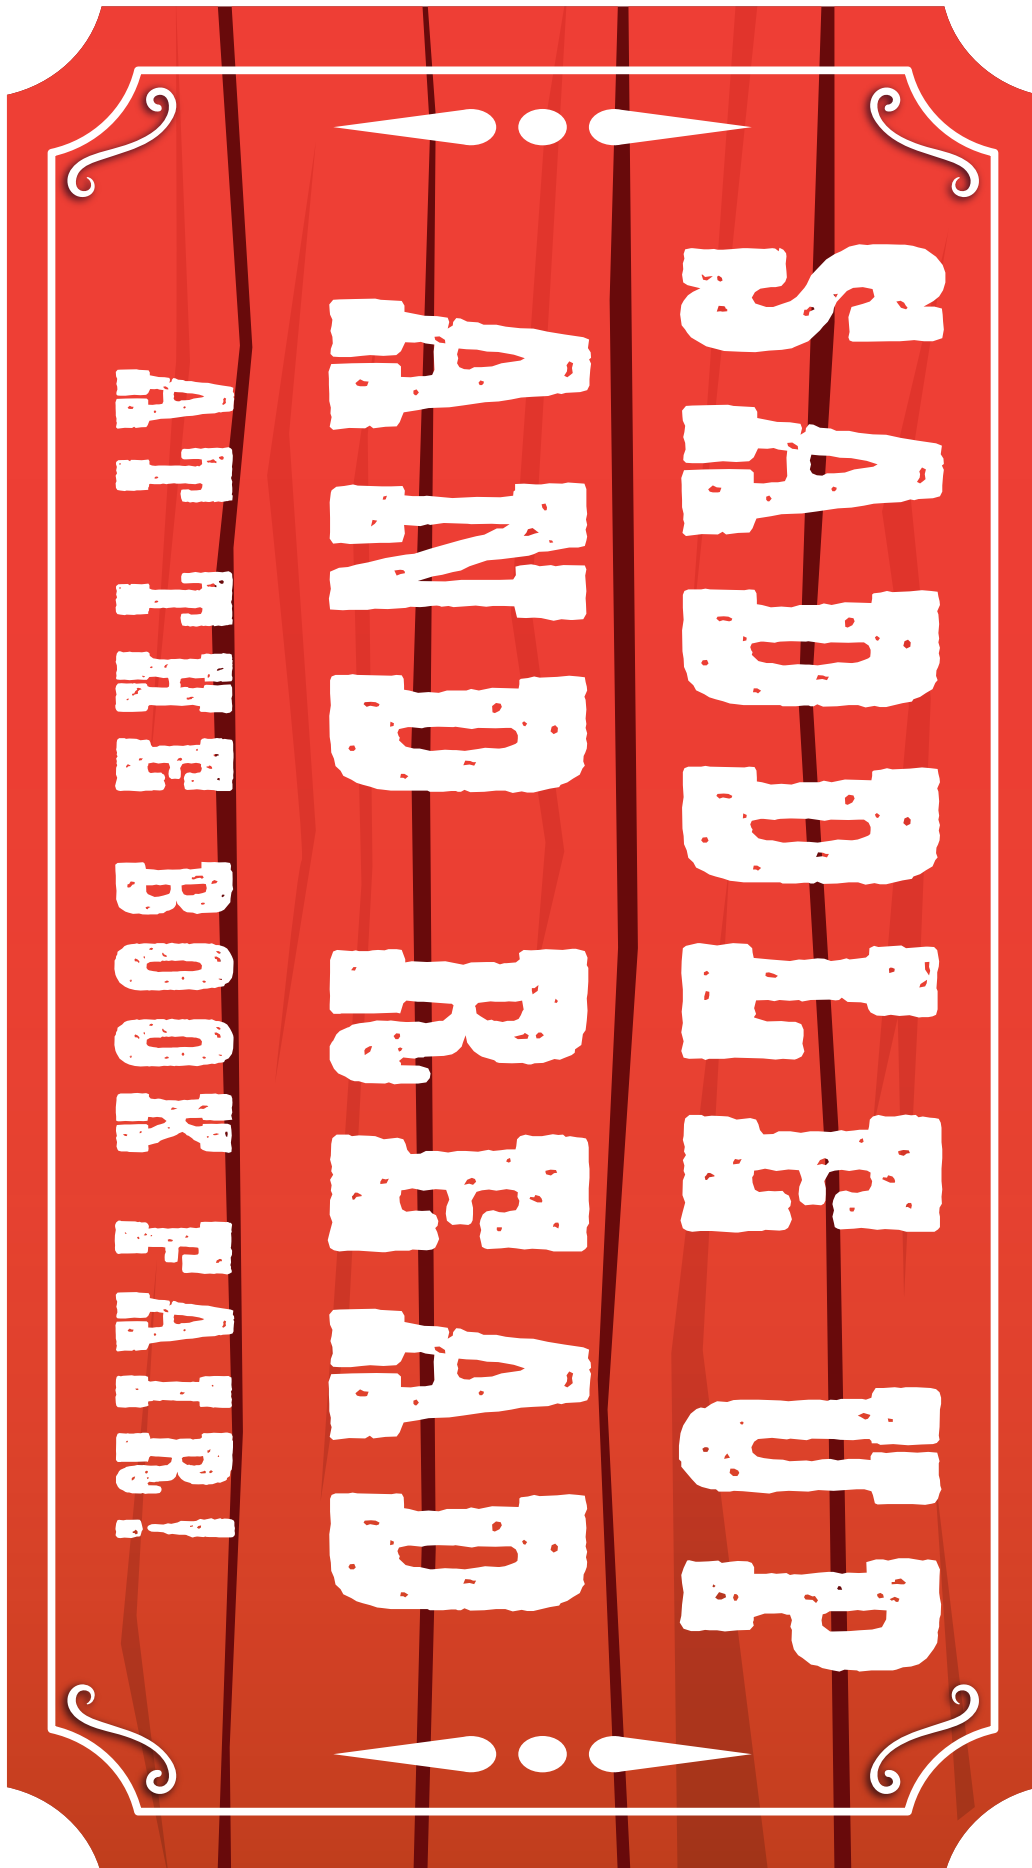

## Supplies\*:

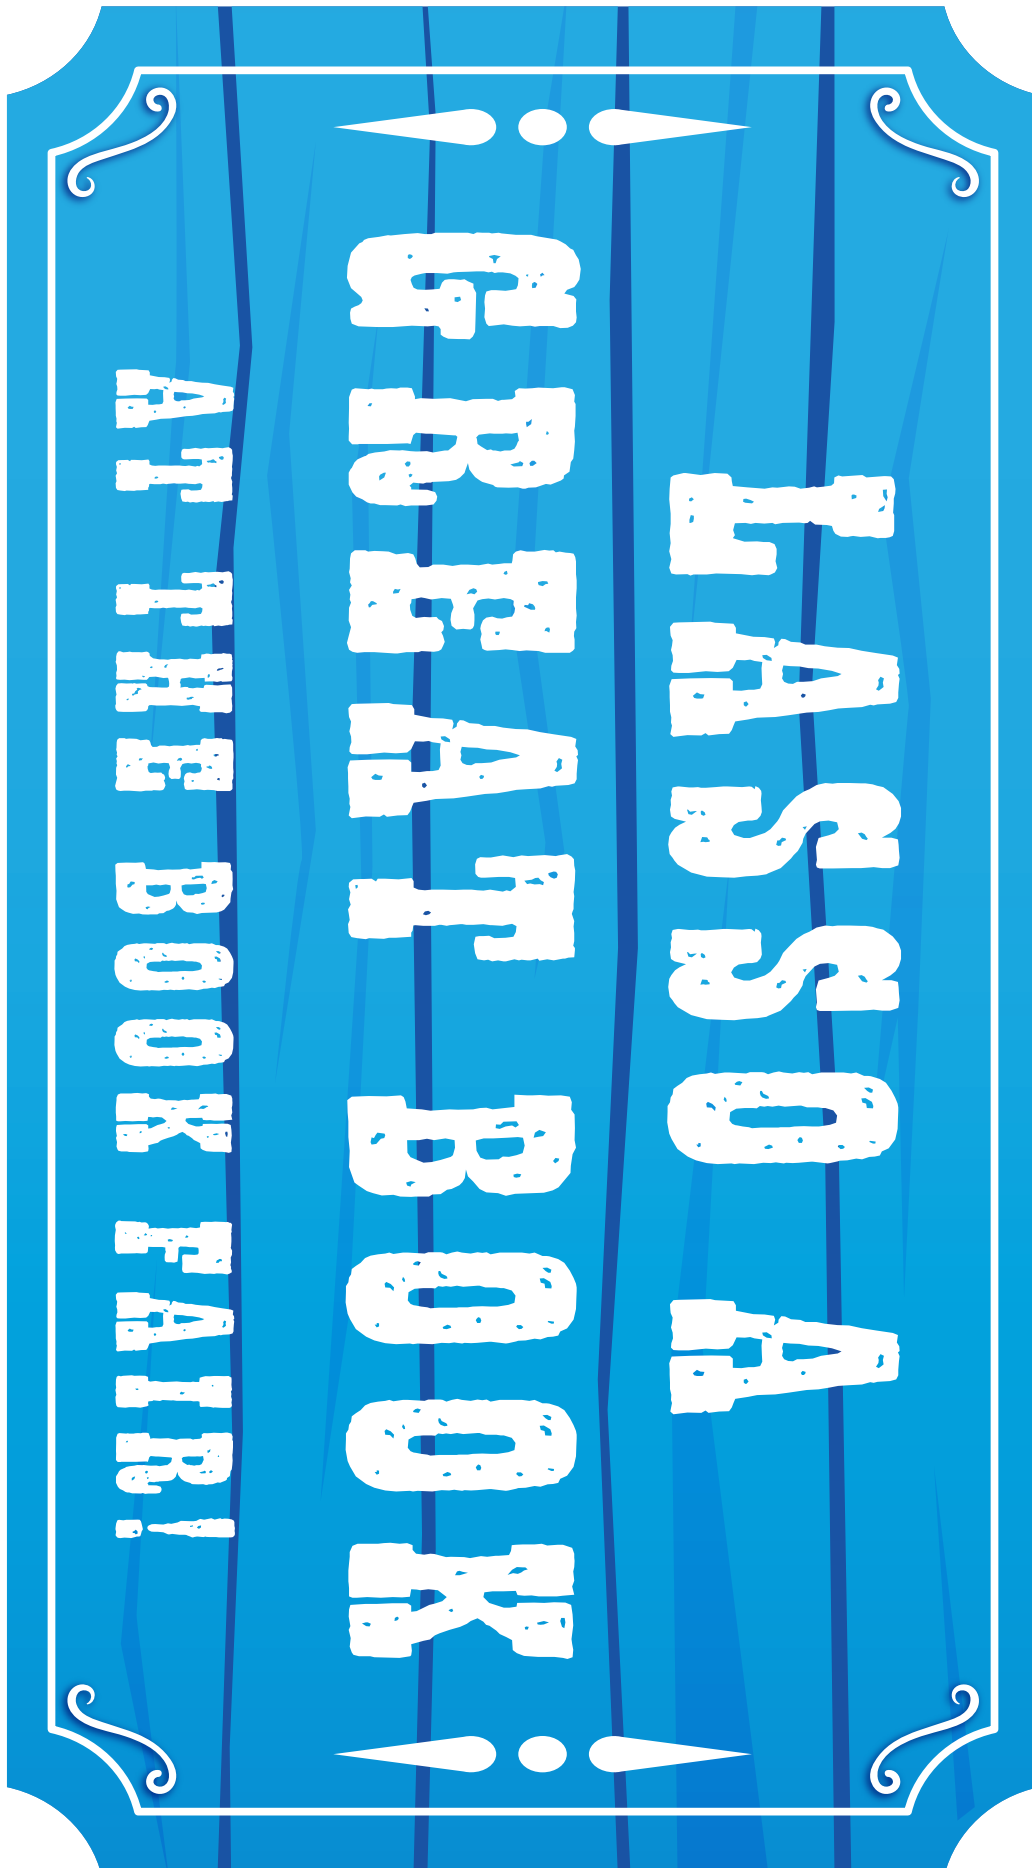

- Foam board
- Utility knife
- Spray adhesive
- Bandit sign stand
- Tape

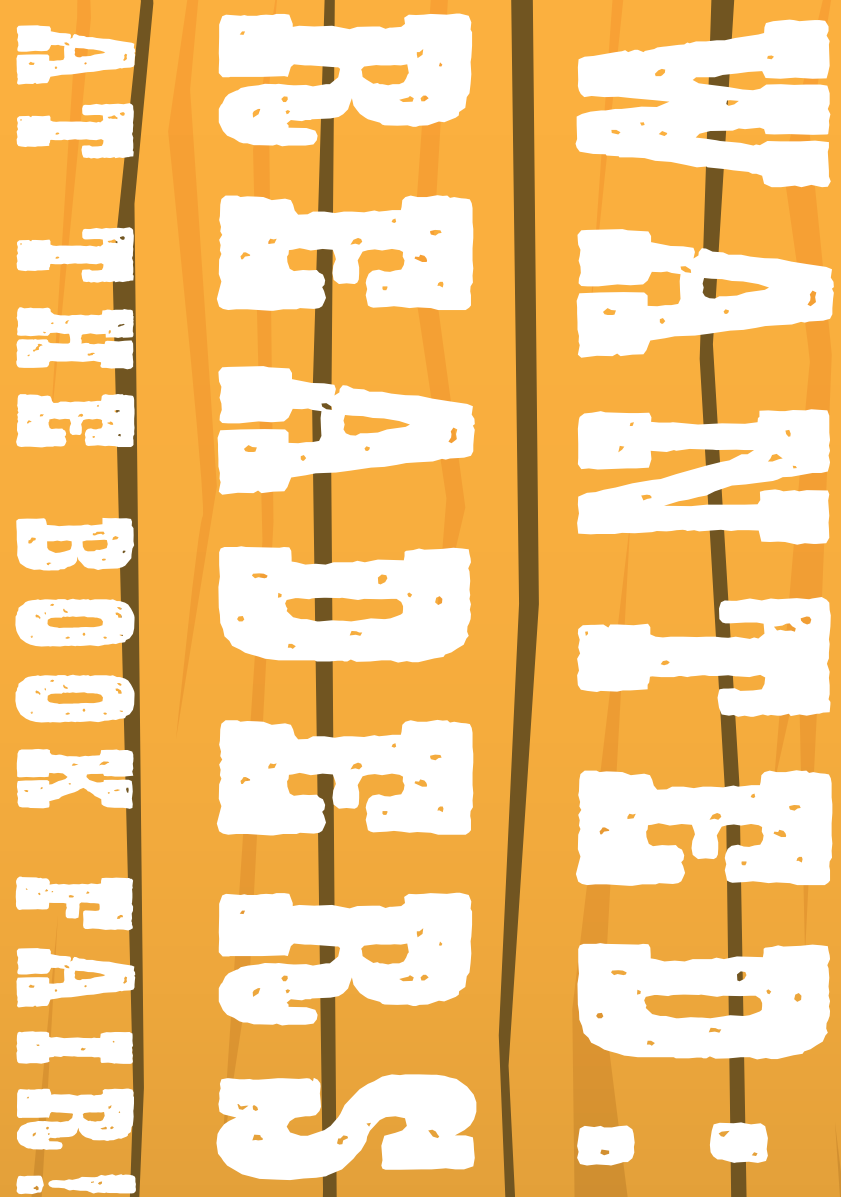

## Directions:

1. Tile print the signs on pgs. 2-4 at 300 percent so they are actual size.
2. Tape the pieces together and mount to foam board with spray adhesive.
3. Cut out the mounted sign with a utility knife. (For safety purposes, we recommend wearing leather gloves when using the utility knife. Never leave the utility knife where children can pick it up.)
4. Attach the sign to the bandit sign stand with tape on the back.
5. Display the signs in front of your school, as shown above.

\*Remember, these are only suggestions.  
This project should be fun and creative, so use  
supplies you have on hand for substitutions.
