by Diana Neild/Philip Webb

## Keynote

The much-loved tale now available as a board book, perfect for little hands!

## Description

*Piggity-Wiggity-Jiggity Jig*  
was a long sort of name for a short sort of pig.

When Piggity-Wiggity complains to his dad about the length of his name, Dad explains that he and his wife felt that their large family of four boys and four girls was missing something. When Piggity-Wiggity came along, they were so delighted that they wanted to give him an extra-special, musical, heroic sort of name.

Piggity-Wiggity goes to sleep well satisfied with the explanation for his extraordinary name.
