<p>* The "Familiar Reading" concept is grounded in the findings of Marie Clay. <i>"When children are allowed to re-read familiar material they are being allowed to learn to be readers, to read in ways which draw on all their language resources and knowledge of the text... That familiarity is supporting his move towards further independence as a reader... Opportunities to apply new skills or knowledge just learned on one or two more books of about the same level of difficulty [is an] example of revisiting the familiar."</i> *Marie Clay, <i>Becoming Literate</i>, 2002</p>			Total Order Value \$	
<p>Prices valid as at 1st February, 2012. Prices subject to change without notice. Prices in NZD. Note: Book Fair commission purchases are charged at RRP.</p>
