

The 39 Clues: Cahills vs. Vespers

The Story

The Cahills' oldest rivals, the Vespers, kidnap key Cahills for a hefty ransom. But what are the Vespers really after and can the Cahills stop them before it is too late?

The Books

The books follow Amy and Dan as they execute heists of the world's most famous pieces of art in exchange for their kidnapped Cahill relatives, all while trying to figure out the Vespers' end game.

The Online Game

Readers participate online by directly helping Amy and Dan identify and stop the top Vesper leaders.

They'll discover information online that they can relay back to Amy and Dan, so that it will feel as if kid research has impacted the story.

The Cards

Each card pack will be a single set of 16 cards designed to tell one compelling story. Each card will correspond to a single activity — a mini-game, code, or puzzle — that provides kids with the evidence they need to help Amy and Dan track down and stop the top Vespers.
