A TECHNOLOGY ACTIVITY!

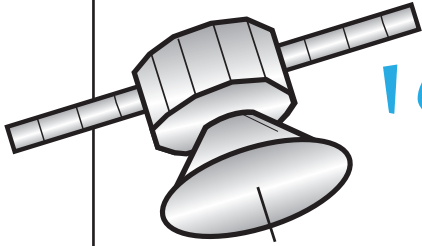

Light Bulb

Usually designed to solve a problem or make a task easier, technology can also help you have fun. Always looking to the future, it uses science to make more useful materials and better, more efficient machines.

I CAN'T LIVE WITHOUT MY . . .

We use technology all day, everyday. Think of the ways you use technology. What would your day be like without it? In the lines below list everything that you did today that involved some sort of technology. In the second column write an explanation of how you would do each task without the ease of technology.
