

# Make a Candy Cane Mouse!

## What you need:

- Red cardboard for the body
- Green cardboard for the ears
- White cardboard for the nose and eyes
- Scissors
- Glue
- Black marker (for eyes)
- Sticky tape
- Wrapped Candy Cane

## What to do:

- Cut out the template pieces below.
- Cut the two lines on the body of your mouse and thread the ears through.
- Glue on the nose and eyes.
- Attach the candy cane.
- Hang on the tree.
- You can write the child's name on the body of the mouse for added fun!
