

Make Your Own Christmas Glitter Star

What you need:

- Plastic food wrap
- Cardboard
- Sticky tape
- Glue
- Glitter or paint
- Scissors
- String

What to do:

- Use the star template below, trace the star shape onto your cardboard.
- Stretch your plastic food wrap until it is smooth and tape to the cardboard, making sure it is slightly bigger than your star pattern.
- Using the glue, colour in the star.
- Sprinkle glitter onto the glue and allow to dry, or you can paint your star and allow to dry
- Cut your star out and hang.
