

Patterns in Language

Who Stole the Cookie from the Cookie Jar?

Encourage students to listen for language patterns.
Students clap to each beat of the rhyme.

Everyone: Who stole the cookie from the cookie jar?

Teacher: [Student's name] stole the cookie from the cookie jar.

Student: Who? Me?

Everyone: Yes, you!

Student: Couldn't be.

Everyone: Then who?

Student: [Another student's name] stole the cookie from the cookie jar.

Repeat until all students have had a go.
