

Award Ornaments

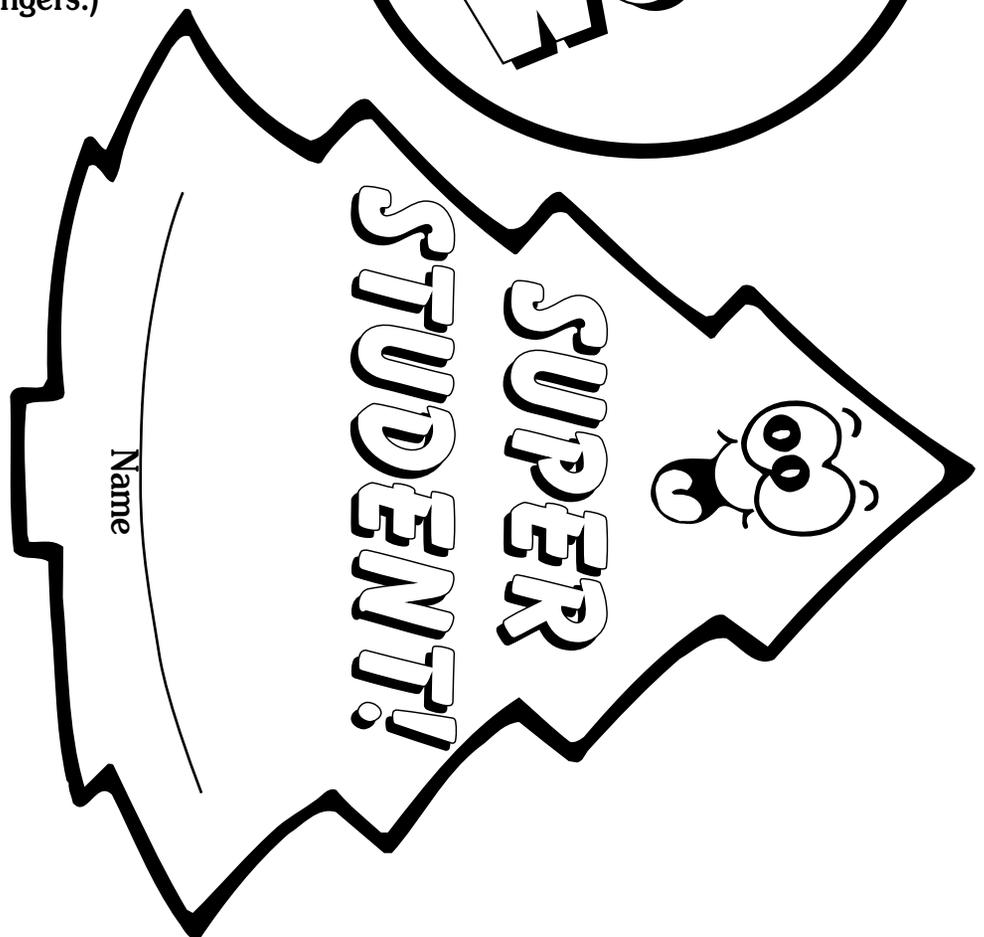

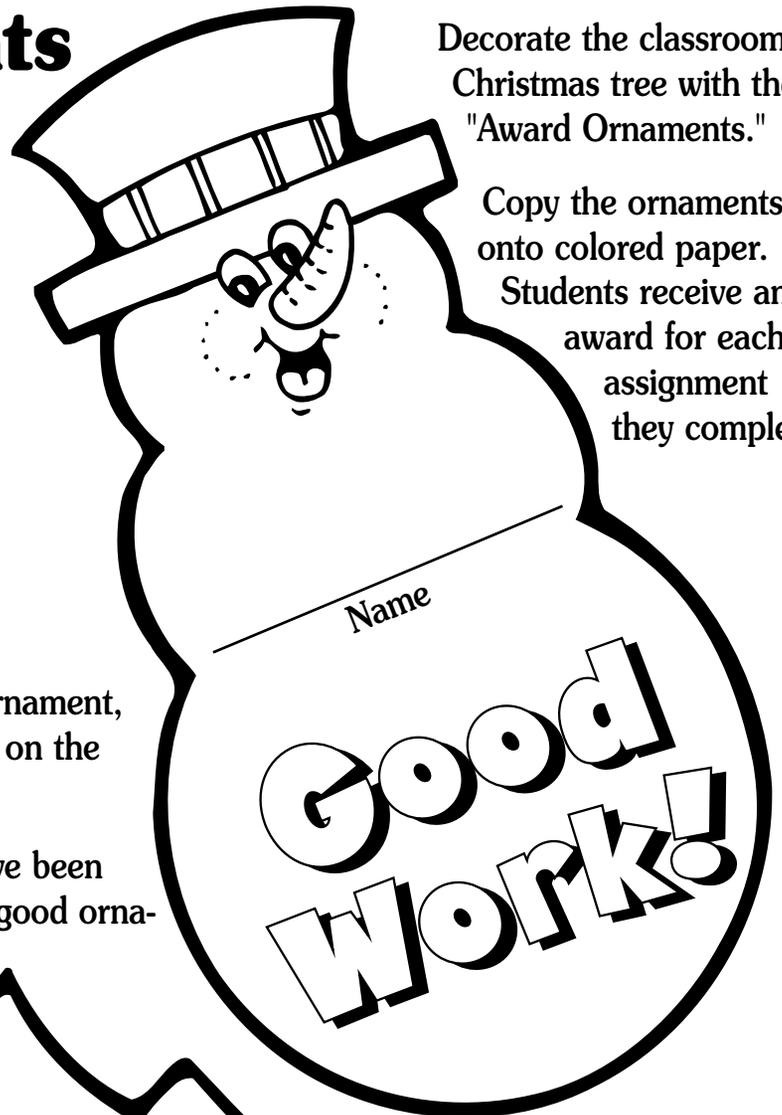

Decorate the classroom Christmas tree with these "Award Ornaments."

Copy the ornaments onto colored paper. Students receive an award for each assignment they complete.

After coloring the ornament, children can hang it on the tree.

(Paper clips that have been stretched out make good ornament hangers.)

Pencil Toppers

Reproduce these "Pencil Toppers" onto construction or index paper. Color and cut out. Use an art knife to cut through the Xs.

Slide a pencil through both Xs as shown.

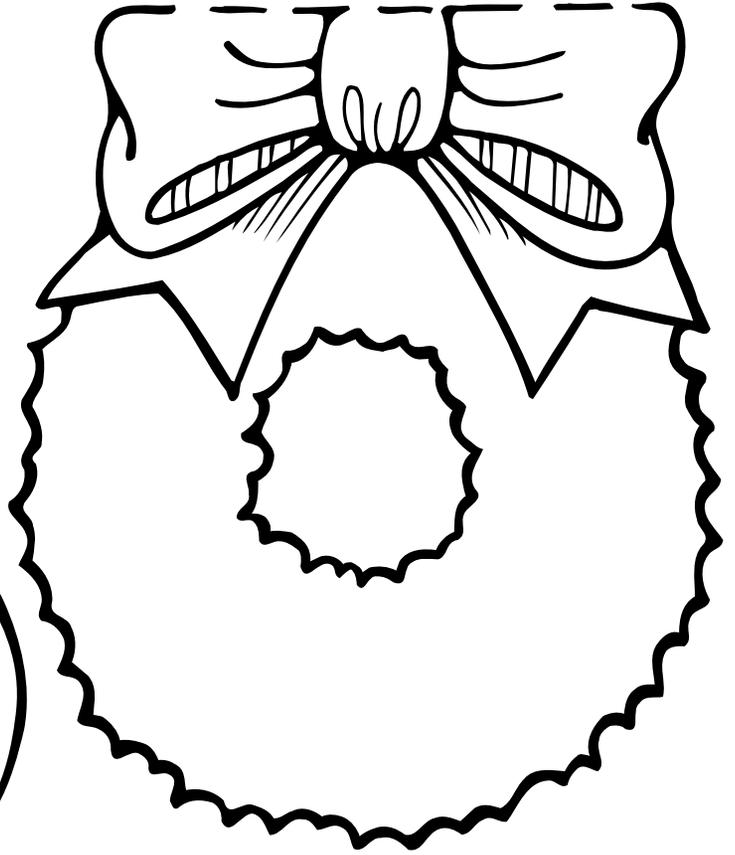

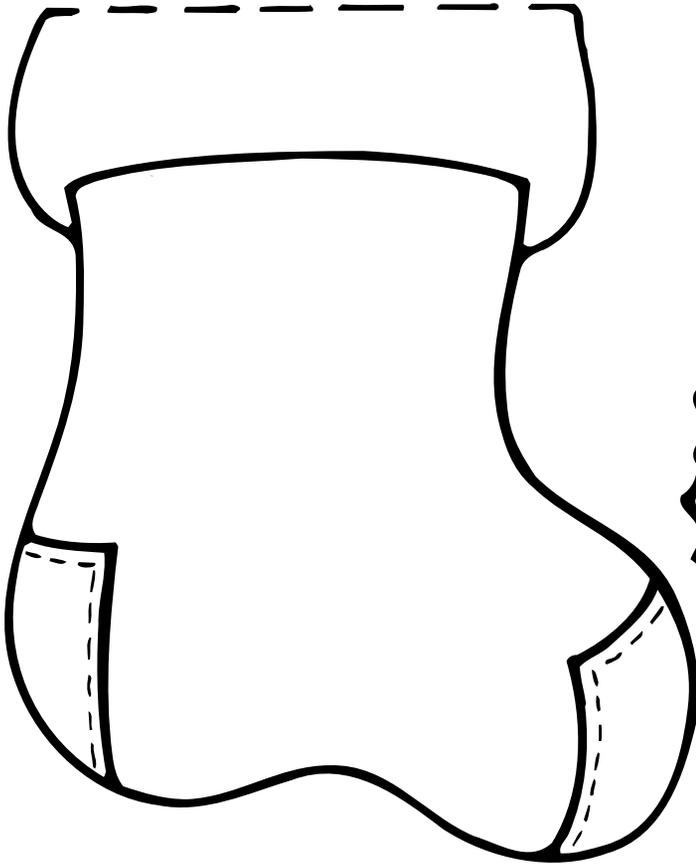

Give the toppers as student awards or holiday gifts.

Corner Bookmarks

Copy these corner bookmark patterns onto heavy paper and color with crayons or markers. Laminate them if you wish. Cut the patterns out along the heavy black lines and fold along the dotted lines. Tape the back flaps together where they meet.

Place the corner bookmark over the corner of a page in any book. (A great gift idea!)
