

Make Your Own Reindeer Antlers!

What you need:

- Thick brown cardboard or construction paper
- Scissors
- 2 black pipe-cleaners
- Glue or stapler

What to do:

- Using the templates below – cut out two antlers.
- Connect the two pipe-cleaners to use as a headband for the antlers.
- Wrap the antler around the pipecleaners and either glue or staple into position.
- Place on head and instantly become a reindeer!
