

Name _____ Date _____

Student Worksheet

Weather Watcher

How accurate are weather forecasts?

Get It Together

★ weather forecast map for the next seven days

★ radio, television, or online weather report for each day

- 1 Fill in the chart below with the predicted weather for each of the next seven days. Include expected precipitation, cloud cover, and high and low temperatures.

Day	Weather Forecast
1 (today)	
2	
3	
4	
5	
6	
7	

- 2 Using your own observations and information taken from the daily weather report, fill in the actual weather data for the same seven-day period.

Day	Actual Weather Data
