## THE MATHS BOX

The Maths Box series fully supports the teaching and learning of New Zealand Curriculum Mathematics for Year 1 to Year 6. These amazing boxes cover all the strands and sub-strands for each year level.

- A variety of motivating activities supported by colourful artwork and photographs encourage students to engage in independent work and further practise concepts taught in class.
- Separate answer cards allow students to work and progress at their own rate while keeping a record for their own and teacher reference.
- A variety of additional resources is included in each Teacher's Guide to assist with easy implementation and maintenance of the box program.
- Each comprehensive Teacher's Guide includes scope and sequence charts, student assessment and teacher recording templates, and support materials including fabulous mini posters and much more.
