

CHILL OUT AND READ

SCHOLASTIC
SUMMER
READING
CHALLENGE

Keep Track with the Summer Reading Log

Instructions

1. **Print** a *Reading Log* for each child.
2. **Encourage** children to use this Summer Reading activity as a way to read as many books as possible over the holidays. With each book read, they are one step closer to the goal.
3. **Instruct** them to list the books they have read, and give each a rating out of 5 (with 5 being "I loved it!") then mark off the squares that fit the criteria of books they read over the school holidays.
4. **Ask** a parent or teacher to sign off on the reading results.
5. **Congratulate** the child and reward them with the printable certificate found here. Don't forget to enter their name into the draw before 31 January 2019 to win great prizes!

DID YOU KNOW that reading
for at least 10 minutes every day equals
reading over 800,000 words in one year?
That's why I LOVE to CHILL OUT and
READ EVERY DAY!
