

Ring Toss Game

Supplies:

- White tri-fold board
- Utility knife
- Meter stick
- Cardboard
- Masking tape
- Paintbrushes
- Turquoise, red, yellow, purple, white paint
- Scissors
- Cardboard party hats
- Hot glue gun and glue sticks
- Glow-in-the-dark necklaces

Directions:

1. Lay the tri-fold board flat.

2. Cut both flaps diagonally in half with a utility knife. (*For safety purposes, we recommend wearing leather gloves when using the utility knife. Never leave the utility knife where children can pick it up.*)

3. Measure 3' down from the top on both sides.
Cut off the remainder of the flaps.

4. Fold the side panels back.

5. Cut two 2' wide rectangles out of cardboard.
Tape both ends to the two triangles, creating
an A-frame. Lay the completed board flat.

6. Paint a Triceratops head and background on the A-frame. Allow to dry.
7. Remove the strings from three party hats. Paint the hats purple and allow to dry.
8. Hot glue the hats to the board, creating the triceratops horns.
9. Assemble a few glow-in-the-dark necklaces, creating the rings.
