Welcome

As Australia and New Zealand's market leader of children's publishing, and a recognisable household name in children's literature, we bring adventure and the unrivalled enjoyment of reading to multiple generations of Australian and New Zealand families.

We represent close to 30% of Australia's best-selling children's books with company license rights to over 30 countries throughout the world including the USA, UK, Italy, France, Germany, Japan and Korea. Scholastic Australia releases approximately 500 books every year under five imprints, including childhood favourites, bestsellers and award-winners.

Our New Zealand publishing list comprises titles that tie directly into the local market with a strongly Kiwi flavour. We work with a talented pool of New Zealand authors and illustrators to publish on average about 40 new titles each year. Approximately 65% of our list annually is made up of picture books, including sing-alongs in both English and te reo Māori. We publish around 4–5 new titles exclusively in te reo Māori each year.

We believe that all children should have regular access to quality affordable books, especially during times of sickness, devastation or hardship. Every time you choose Scholastic, you are helping us to help sick children in hospital, reach children in remote communities, get books into the hands of underprivileged children and help communities affected by natural disaster. Find out more about how you help us to make this possible at scholastic.com.au/community.

We trust that the titles you will discover inside will be the must-have titles you need to have on your shelves throughout the coming year!
