CAT KID COMIC CLUB COLLABORATIONS

WE'RE BETTER WHEN WE WORK TOGETHER!

DAV PILKEY

As a child, Dav Pilkey was diagnosed with dyslexia and ADHD. Dav was so disruptive in class that his teachers made him sit out in the hall every day. Luckily, Dav loved to draw and make up stories, so he spent his time in the hallway creating his own original comic books. In the second grade, Dav Pilkey created a comic book about a superhero named Captain Underpants. His teacher ripped it up and told him he couldn't spend the rest of his life making silly books. Fortunately, Dav was not a very good listener!

Tyrell is a funny, imaginative 11 year-old-heading into his final year at Marcus Garvey Elementary. But soon after he starts, his high hopes that being a 6th grader and now one of the oldest kids in the school will automatically make him one of the coolest and wisest kids around pretty much go POOF!

For starters, SOMETHING seems to be going on with his best friend, Boogie. He's just not himself. Plus, schoolwork is uh, way harder than maybe he thought it would be. And to make things worse, there's a school show coming up at the end of the year that Tyrell is terrified of! Of course, it's not all bad. A pack of rabbits gets loose in the school. And when Principal Davis fell asleep with the intercom on, snoring for all the school to hear? Priceless. In California, Akira Kristiansen is driving through the mountains with his dad when a wildfire sparks — and grows scarily fast. In just moments, Akira and his family have to evacuate but which way is safe with fire all around them? When Owen and his friend see a bear much too close for comfort, they end up in a fight for their lives. In Miami, a hurricane bears down on Natalie Torres. That's not so uncommon ... but everyone's saying this could be it. The Big One. Natalie and her mum don't have anywhere to run to, so they hunker down to ride out the storm. Shortly after arriving, the boys wander off the guided path at the Museum of American History, where they find a very suspicious-looking security guard seemingly breaking into one of the cases. This doesn't ring any mental alarm bells for Harry and Lloyd, who are instead excited and fascinated by the case's contents, even as the security guard tries to hush them up. Unfortunately, Harry and Lloyd end up setting off the actual alarm bells, and the 'security guard' makes a break for it—but not before dropping a coded map that has certain locations around Washington, D.C. marked with strange symbols. The boys have just one thought: SCAVENGER HUNT! Soon, Harry and Lloyd (and their exasperated classmate Tini) embark on a romp through Washington DC to find everything on this 'scavenger hunt', all while being trailed by the thief who is after the REAL treasure the map leads to.
